Large laundry room. A wood paneled library is found to the left of the entry. In addition to the great-room and dining room, the house includes a couple of bonus spaces - a large, carpeted basement and an up-stairs area perfect for use as a crafting area or a homework nook. Bright and sunny, totally renovated - septic, well, electric, 2 flu chimney, insulation, roof and windows. The top floor has a split floor plan w/ four bed room and two-and-a-half bathrooms. The open interiors begin at a small vestibule and forward on to the step down formal living room. Family gatherings naturally happen in the cathedral ceiling great-room centered by a stunning fireplace. Country living in a new house!
