

780 2br

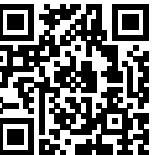

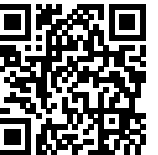

Location **Montana**
<https://www.genclassifieds.com/x-630802-z>

My last tenants moved out recently.

It is a really great first floor two bedroom condo. You'll find all new flooring through out. A complete remodeling of the kitchen was done in early 2015 with new cabinetry and equipment. If you like to have company over the main room offers lots of room for entertaining.

For a showing please send me an email at
