

Found Small Kitten Southport and 135 (Jordan RdSS)

Location **Indiana**
<https://www.genclassifieds.com/x-630823-z>

This kitten just came walking through my yard, no tags or collar. Looks about 8 weeks. My dog will eat it so I will take it to a safe place for the night. Do not want to go to SS shelter if someone can find their kitty here within 24-48.
