

Giant Seek 3 Bike Bicycle with lock and pinhead screws (500 USD)

Location **New York**
<https://www.genclassifieds.com/x-630898-z>

A great urban commuter and all around bike. Technically it's a hybrid mountain/street bike. As great a ride in the country as in Manhattan. Great gearing and all top of the line components. Upgraded to puncture resistant tires. Unique Disk brakes for total stopping power in any weather - essential for winter commuting in New York.

I've added pinhead screws, making the wheels impossible to steal and am including a steel lock worth(keys for both of course) 250\$ by itself,

A really great and solid bike - super reliable and comfortable. Great condition - regularly maintained and always kept indoors. Only a few very minor paint nicks and scratches from 4 years of use. This thing has been good to me. Medium size for a taller woman or guy 5'6 to 6' (but very adjustable).

\$500.00 or Best Offer. Cash or paypal. Pickup upper west side
