Support Notes:

TREC-AI Photographic Reports

7 Day 4 Now arrive outside the gate, waiting to see what will happen.

Day 4: OMG, I could not enough photos to portray how active and loving this girl is. Etta would sprint

from one end of the tunnel to the other. Etta loved being loved on and would be great in an active family. In some of the photos you can see her leaning into us. She would even try to hug on us. Etta needs to find her way out of this place and into a home. Brandi

NOTES: stray from Old Raleigh/Old Wilson Road, Rocky Mount, TN ~ No obvious aggression shown to other dogs in the kennels nor undue interest in the.
