

Ebony, sweet and adoring adult kitty (Raleigh)

Location **North Carolina**
<https://www.genclassifieds.com/x-630912-z>

This lovely mature cat is calm, quiet and easy going. She is past all those crazy kitten antics and won't keep you up all night; she is a very well behaved kitty. She gets along great with other cats and always respects their territory. She would also do well in a home that has a "cat friendly" dog, too! She would make a great companion for a single or family that wants a low energy kitty. Estimated DOB 14 January 2004.

Adoption fee of \$90 includes her spay, microchip, vaccines, negative FIV/FelV testing, vaccines, and flea prevention
