Hi everybody, my name is Crookshanks! I am an easygoing guy with a great personality! My foster mom says I am a real sweetheart and very handsome! Not to sound conceited but I have to agree with her. I really love my foster family but I want a forever home of my own. Mom says to tell you that I will entertain you with my antics when I play with toys and that I get along great with other cats and dogs.

I was rescued by my foster mom along with my kitty mom and brothers and sisters when I was just 3 weeks old. I was adopted by a loving family and lived with them for 3 years. I had some health issues and they could no longer financially support me so they gave me back to 2PawsUp.

I had surgery to remove bladder stones and I am feeling SO much better now! Mom says I am a totally different cat! I have to eat special food so I don't get sick anymore but mom says I am just fine now!

I would love to find my forever home where I can be loved and adored and have lots of playtime. Can you be that home for me?

Adoption fee of \$90 (reduced since he was already neutered) includes microchip, vaccines, deworming, FIV/FeLV testing, and flea prevention
