This boy is such a lover! He will crawl into your lap and fall asleep, it just melts my heart! He would be very happy to be allowed to sleep with his human. He loves to play, especially with his sister Lucy. He is such a handsome kitten, one of the cutest kittens I've ever seen. He is very soft and loves to be petted and scratched on the ears. Of course he is playful and active like all kittens, but he has a calming presence to him. He isn't overly rambunctious, a more mellow kitten.

Ricky gets along great with other cats, dogs and small children. He is fully litter box trained. He would be so happy to be your cuddle buddy and forever friend!

Ricky's adoption fee of \$95.00 includes neuter, microchip, vaccines, worming, and testing for feline leukemia and.
