

I need flooring laid (Catonsville)

Location **Maryland**
<https://www.genclassifieds.com/x-630953-z>

I have a rental property that needs a floor laid. It is the floating vinyl plank. No glueing. No removal of the old floor. I just need it laid over top the tile/wood. It is in the kitchen and dining room (200 sq ft). Everything is out of the house. I need this asap. Please text with an estimate.!
