

EP and DP needed for short film shoot

Location **Maryland**
<https://www.genclassifieds.com/x-630957-z>

I've got a short film ready to be shot. Filming will take place over 7 days, I've got locations locked around the Howard County area, a composer, editor, director, script, and one of two actors cast. I've raised \$2K already and need to raise another \$5K (including completion funds).

I am in need of an executive producer with access to financing as well as a cinematographer.

If you fit this criteria and are interested in being involved, please email directly to
