Inner Harmony is a co-ed a cappella group of about 15 singers between the ages of 18 and 35 who meet once a week (Sundays from 6-8pm) to rehearse a variety of songs. We have performed at several shows, sing live around the Baltimore area, hosted our first concert in November of last year, and plan on hosting another one this year!

Right now we are looking for baritones, basses, and beatboxers! If you love to sing and/or beatbox, this is the group for you! Contact us to set up your audition! Your audition will consist of three parts (not necessarily in the order shown):

- Range test, where our music director runs through some scales with you to get an idea of your range
- Solo, where you sing 30-60 seconds of any song of your choice (please prepare two contrasting songs; you may not be asked to sing both
- Q&A, where we ask you some questions to get to know you, and you ask us any questions you have

Please respond with your name, age, and your voice part (if you're not sure, that's fine!).

Any questions, comments or concerns, respond to this ad, or connect with us::
