Travelling amateur photographer looking for amateur female models for a nude/erotic shoot.

I will be in Baltimore next week and would like to see if I could set up a shoot while I am in town.

I am looking for a woman ages 18 to 45 who is comfortable posing nude. I am looking for a curvy model, with a larger than average bust, race not important.

Please reply with at least 2 current photos (one head to toe shot) for.
