

In need of childcare for Twins

I need a sitter for my 1 year old twins starting late September so I can return to school. Time would be from 12-4:30 4 days a week. I would prefer if you watched them in my home, all their stuff is here and they would be more comfortable in an environment they are used to. Looking for someone with experience and would also require that you be CPR certified. A religious background would be great but not required. We can discuss payment, but I really can't afford more than \$100/week. I am on a students budget.

I'm posting this early so the ideal candidate will have time to get to know my babies before being left alone with them. This will help you and them get along better when I'm gone.

You can reply to this email, or call/text me. Please no calls after 8pm.

Thank you
