I did the cleaning and greeting for an Airbnb property in Williamsburg for the past year and consistently got great reviews from guests and the property owner. I'm an artist with a very flexible schedule and currently looking to add a few weekly gigs to my schedule. I charge \$35 an hour with a four hour minimum

I can come by, clean up after the guests leave, do laundry, etc and greet your new guest, orient them to your apartment, building, neighborhood.....etc and explain to them the importance of keeping a low profile, if necessary.

Get back to me with your details and location and I'd be happy to meet with you and discuss your needs at your convenience.
