 Greeting, models, dancers, actors or actresses.

I am a professional photographer looking for a few models for a test shoot tomorrow afternoon. I was supposed to leave from a country last week but it got postponed. Now, I have some time to shoot tomorrow. My flight is on Tuesday. This opportunity is only tomorrow!

I will shoot at a park in Brooklyn (exact location TBA) with my assistant. I will set up a few lights set but no MUA. Please have your own make up. It's completely free and I will give you data via google drive later on. (No retouch included) I usually charge from \$200~ for a session. This is great opportunity if you look for headshot.

If you are interested in, please send me your photo and let me know your size. I will get back to you.
