I have a Bluenose Pit Male Puppy that needs to be re-homed. This is our last week and we will be moving states. I can't take him therefore trying to re-home him to a new loving family. He is 3 months and on the 19th he will be 4 months. He is great with kids, people, and other dogs. He comes with stuff. Ask for more details on that. He is not fixed. And does not have papers. I paid \$300 just for him, so this is a great price to get him at. Serious people only I don't have time to waste on flakes. Txt
