I have a customer in Joseph, oregon that needs his 1x6 Tongue & Groove Pine taken to him in Joseph from Boise. You would need a 16' Flat bed trailer with tied downs and a rig big enough to haul 4500 lbs. Enough insurance to cover the value of the load and be willing to help the customer hand unload the wood in Joseph. The rate is \$500 for the trip. Please only reliable, responsible people contact me. I also get other loads that need to be hauled .
