Hello.

I have one more full or part time opening left in my Nashua home. I am located less then 1/4 mile off of exit 5a. I have an associates degree in Early Childhood Education as well as over ten years experence with children from infancy through school-age. During the day we do several things such as circle time and puzzles. The children also do many crafts such as painting, play-doe and coloring. We go outside almost every day and bake about one time a week. If you would like more information or would like my resume and list of references please feel free to e-mail me.
