Explore and enjoy Schoodic Point in Winter Harbor with its many beauties and relaxed pace. From here the restaurants and shops are just a short walk. You can rent bikes for exploring. Play golf - the course is saddled between two bays with views of the ocean from every hole. There are multiple lobster coop's and pounds to buy your dinner. And there is more to the area than just the Acadia National Park. Less commercialized than the other hotspots we have allot to offer visitors. Especially those guests who desire a more relaxed, less crowded atmosphere. But even those desiring days of crowds, shopping and non stop activities can have the needs easily met here. That's one of the beauties of a vacation or living here. You can have remote, secluded, quiet or crowds anytime you want, it's your call. Do yourself a favor and come see this year!
