This is a well taken-care of and cared for home. It is a 4 bedroom Scarborough home with two bathrooms. 1700 square feet finished. It's a stones throw away from Scarborough High School. Large walk-up attic can be finished and used to your liking. Unfinished basement with washer/dryer hookups. With the attic and basement, the square footage would be closer to 2500. Large detached 2-car garage with auto openers and side remote. Plenty of room for storage. Storage shed. Very large deck for entertaining. Large kitchen with granite countertops and center island. Very nice wood floors throughout. Brand new energy efficient furnace installed last year along with being the only house on the entire street with natural gas. Attic was spray foam insulated for efficiency. Basement sill spray foamed as well. ADT security system. Large fire wood storage area in basement with plenty of wood left. Brand new driveway with cobblestone retaining wall installed in July 2015. Entire home repainted last year. Only "pet" we have ever had is a few beta fish. Please only serious buyers contact.
