

# Looking for a roommate (potentially)

Location **Maine**  
<https://www.genclassifieds.com/x-631268-z>

Looking into moving into the Portland area (potentially!) and trying to get an idea of what's out there for rentals. I have 3 dogs (all very well behaved. 10 year, 6 year, and 9 months). I know I'd want a roommate and I could afford 800/month with utilities included. Somewhat flexible on that though. !
