be at least 21...exceptions made if you're not a dick. No pot heads...sorry. Gotta be able to play fast old school hardcore punk style. Have a decent kit and a car. That's all we ask. Again please be able to play fast...here's what youtube came up with when I typed in fast punk drums...play that on a 33 minute loop and we're alright (I'm somewhat joking)...<https://www.youtube.com/watch?v=DjfXQgTY15U> haha. Right idea though. Got a practice space with a kit. .
