\$19,699DESCRIPTION:READY FOR THE TRAIL!! 2016 Polaris® RZR XP® 1000 EPS Titanium Matte MetallicPower Features 110 HP PROSTAR® 1000 H.O. ENGINE Designed specifically for extreme performance, the Polaris ProStar® 1000 H.O. engine features 110 horses of High Output power and all of the hallmark ProStar® features. This includes dual overhead cams, electronic fuel injection, and 4 valves per cylinder. It also features light weight design with massive dual bore 48MM throttle bodies and long-tip fuel injectors giving the RZR XP 1000 instant throttle response and quick to rev characteristics. HIGH-FLOW CLUTCH INTAKE SYSTEM The clutch cover, secondary helix and ducting system offers the most

XP 1000 delivers a smooth, precise ride no matter the terrain. Agility Features INDUSTRY LEADING GROUND CLEARANCE AND WHEELBASE The RZR XP 1000 is built upon a 90-inch wheelbase and 13.5-inches of ground clearance. The chassis and suspension combo smoothes the harshest terrain without unwanted chassis pitch; and delivers unmatched control and comfort without sacrificing agility. Giving you our legendary razor sharp handling even in the most challenging terrain. HIGH PERFORMANCE TRUE ON-DEMAND ALL-WHEEL DRIVE The High Performance True On-Demand All-Wheel Drive System features a close ratio final drive to keep the front wheels pulling stronger and longer maximizing power delivery to the ground, even on the loosest terrain. The system provides increased traction without sacrificing steering effort to provide unmatched point-and-shoot handling. PERFORMANCE OPTIMIZED SUSPENSION GEOMETRY A race-inspired 3-link rear suspension maximizes acceleration, sharpens control, and improves straight-line tracking by keeping the tires in contact with the ground more often. Polaris redesigned the already best-in-class 3-link suspension introduced in 2011 with revised geometry to offer 25% more ground clearance from leading edge of tire in regards to the trailering arm; optimized camber gain for improved traction; and a longer trailing arm for added strength. STANDARD ELECTRONIC POWER STEERING Front suspension geometry and standard Electronic Power Steering (EPS) results in less steering effort and delivers the ultimate in control with reduced rider fatigue.DETAILS:Condition: UsedExterior Color: TitaniumInterior Color: TitaniumStock #: UP5330VIN #: 3NSVDE994GF445330OPTIONS:2016 POLARIS RZR XP 1000 EPS TITANIUM MATTE METALLICCAII INTERNET SALES at
