

# international ih 2450 loader (2000 USD)

Location **Nebraska**  
<https://www.genclassifieds.com/x-631340-z>

For sale is our international 2450 loader with bucket and brackets, the loader is in great shape, brackets have some welding on them and bucket is decent. It came off of a ih 5488 tractor, but can be made to fit a lot of ihc tractors like the 66 86 and 88 series. The loader was modified a little bit to fit the 88 series, but they did a good job on it.
