rehoming this sweet girl. Got her and my kitty and her just won't get along. She is good with female cats but not male. She is very vocal and playful and lovey. At first she is very standoffish and timid but she warms up in a day or two and oh boy does she have a personality lol. Breaks my heart. She is not fixed but has had all her shots. We're asking a \$50 rehoming fee for her. Please text only as I work.
