One sweet chocolate girl. Utd on shots and wormed. Checked over by a vet. Born on June 5th and eating puppy food with no issues. Pretty small... neither parent over 10 pounds. Sometimes both ears are up... sometimes one is up and one is down... it is too cute. Very well socialized with other dogs and kids.

Better pictures are coming!

Feel free to text me at or email me for details about them. No calls please. Firm \$75 rehoming.
