Hello.

My name is Maria.

I am a babysitter with 8 years of childcare experience.

I have 16 month-old son, Timofei. I have worked with children, 3 months to 5 years old. I love working with children and I keep them busy with different art projects, reading books, coloring, making puzzles, games, music. We go to playgrounds and local parks.

I am having a small home daycare (2-3children), Chesterfield, MO. Your kids will be well cared while you are at work. I am located near Chesterfield Mall, 63017 zip code. I charge hourly which is \$ 10/hour part time and \$9/hour full time.
