Runs and drives great, Well maintained over the years, Previous Southern car/GA, clean interior, 5 speed, good clutch, 1.3 motor, 5 digit odometer (22k miles) 4x4, Hardtop, AC; but doesn't work (but for this to have AC is funny, but an extra option back in the day), little rust on the body, Good tires, brakes are OK, good exhaust, recent oil change, new battery, Solid floor boards, frame is solid, Great for conversion to off road, fun toy or if your looking for a clean Samurai to start a restoration, then you must check this one out.
