Hi, I have a nice spare room. (Red, ), with small tv, cable and movie channels, drawers for you too. It just sits there mostly, as my mom is stuck up in maine with a sick hubby, so It's just my spare room, office. I thought maybe I could rent it like a summer place for those who can't afford \$199 a day. Things to discuss first. I would prefer you stay at least a week, first week is a good trial I figure, then take it from there. This has worked out for me once before and the guy who needed room for 3 months. I want someone working or here on vacation, but active during the day. I am a gay 53 year old, I have 2 boy cats, pretty quite, but fun. Would like to help me and someone else. My place is my sanctuary, I want no smokers, drugs, or signs I don't care for. I will ask that right away. I am a virgo. I follow the horoscopes, lol It works I swear. I have a nice home, water and dryer too, ac. \$165 a week is what last guy payed. A hotel in the summer here in ports. is that a night. I am looking for a gay or straight male. I want a guy. Same hormones, ya know. ;) I am sweet, tuff, and take NO BULLSHIT. Leave a note. no kids and no 90 year olds, no offense. Great condo to hang your hat for a bit. And I expect cleanliness and pick up after yourself. Maid is extra. lol Not looking seriously, but willing again if person was the right one. must be at least 45, no kids. Just had one, It lasted 18 days. I made out, but he didn't work out. He left happy though. Peace. He lied a bit too I found out. No pets, I have 2. Must work , or be gone 7-8 hours a day also. last guy worked, and.
