In an uncontested divorce, both parties agree to every specific term of a given divorce settlement agreement and forward this agreement formally to the courts for approval. Thus saving time, money, and STRESS!

If you and your spouse are in agreement as to how the marital property and/or debt will be allocated then this may be a good solution. If there are children involved, you must decide issues regarding child support, parenting time, health insurance, vacation time, and college expenses. A Property Settlement Agreement is the equivalent to the foundation of a house. You want to make sure that all issues are properly laid out in the agreement to avoid any future problems. Let an experienced attorney handle your matter.
