I'm a visual artist. I specialize in charcoal drawings, paintings, and graphic design. I've always had an eye for art and I'm currently taking up commissions. If you have an idea in mind please email me. I do portraits both in oil painting and charcoal drawing. I'm also a graphic designer which I went to school for. So if you have a logo in mind or graphic image in mind or maybe even a photo edited and touched up I'm your.
