I am interested in a puppy

Hello, my name is Mena

My family and I are interested in a border collie or any other breed of dog 4 months or younger, but we can't seem to find one near us. I would be interested in it as long as the price is lower then \$350 give or take \$25 and the puppy is a male. My family and I have had experiences with dogs/puppies. My wife has owned a puppy when she was young and so did I, so its ok if you are worried about your puppy/dog. We have a big yard and a pretty big house where he can run and play. The puppy/dog will not be home alone because we have a lot of free time. We will send you monthly photos of the dog/puppy proving to you that he is ok. If you have any question just ask. Any dog breed again will be ok. I WILL NOT ACCEPT SHIPPING, SCAMMERS GOODBYE. Thank you and have a great.
