

Make 1,000day for nude modeling photoshoots (Las Vegas based)

Location **Nevada**
<https://www.genclassifieds.com/x-631612-z>

Currently searching women ages 18-45 for various paid nude modeling shoots. You're more than welcome to bring someone along with you during the entire process if it makes you feel more at ease and comfortable. Only rule is that whoever you bring (whether it be a spouse or friend/family member or significant other) that they do not interfere with the shoot.

No experience needed. Will accept women who are experienced or just getting into the modeling industry.

To be considered please send an email with your name, recent photos of yourself (does not have to be nude but certainly helps) Photos should be full length as well as ones with your face clearly shown and they must be recent or accurate of what you currently look like now. Email and cell phone contact should be included for faster response. Any additional information you wish to include you may do so as well.

Thank you very much
