Pet sitting & Training

My name is Kelsey, I am a college student. I have a French bulldog, a German shepherd and a Rottweiler. I am a huge lover of animals!!! I have shown horses all of my life. I have also shown dogs in 4-H, until I was 18. I love to walk or run with dogs. I will be happy to teach your furry friend light obedience. Out of the 4 years of showing in 4-H I placed Grand in every class except one where I received reserve. (The classes were obedience on & off leash & agility) My first dog was a Boston terrier that I got when I was 2 years old; I had him until I was 19. My German shepherd and my Rottweiler are rescue dogs from the pound and my frenchie came from SD. I believe in well spoiled and well BEHAVED dogs!

Training fees

I charge \$15 for a training session that will last 15-30 minutes depending on the dog's performance and attitude. (Will be a shorter training session when the dog does

extreme well) I suggest training to be a minimum of twice a week. Training will include numerous tricks and obedience on and off leash; terms and specifics of what you

want your dog to do and how will be discussed.

*I have years of experience with animals. I have excellent references which I will provide upon request.
