Hello! My Shih Tzu just had puppies exactly two weeks ago, (I update this post every day) and I'm looking for someone who will open up their home for them. There is one beautiful dark brown/black girl left, and one black/white girl left. Girls rehoming fee: \$250 (keep in mind they're in our care for another 4 weeks)

They're free to leave our care after 4 more weeks, and if you're around the Gwinnett or Fulton area we will deliver them! (:

(The larger shih tzu in the photos is the mother)

****If these puppies interest you, photos will be sent to you every week for updates until they're ready to go home with!
