You'll be renting a room in a renovated single family house with a shared bathroom. Trash pickup, lawn care, and alarm system monitoring are included in the rent, all other utilities will be split. All common areas are furnished, the kitchen is fully equipped, there is a washer/dryer in the home, and all towels and window treatments are included. The bedroom is furnished, except for the bed - you'll bring that.

This is a non-smoking and pet-free home. If the ad is still up, the room is still available.

Rent is \$400 per month, per room, single occupancy, and we look for a year lease with a \$600 security deposit, due when the lease is signed. There is a \$50 fee for the online application and screening. Two rooms are leased, and one room is available. One room in the house has been converted to extra closet space for the tenants to share. If you are interested, please reply and tell us a little about yourself, and why you'd be a good fit for this house. We look forward to hearing from!
