Hi! I'm moving out of my apartment late September and I am looking for a new place to live around that time and some cool roommates! I am looking for someone who is clean, responsible, mature and respectful but also likes to have fun and is social! It would be awesome to have a roommate who I could not only live with but be friends with since I'll be new to the area! I do not smoke or use any drugs and drink socially. I do not have any pets but do not mind small dogs (allergic to cats). I've lived with both guys and girls in the past and get along with almost anybody.

If you might be interested, please let me know! I've been here for about a year now so I am pretty familiar with the area - would love to live in the North Hills/Cameron Village/Glenwood South area but am open to other ideas! Let me know if you have any questions or would want to talk more about!
