I work in the South Durham area so I am looking for a place to move that won't be a commuting nightmare. I need a large bedroom and private bath. Would like to do 6 months or longer. I am 34, mostly AA, a nurse, and I've had the same job for 5 years. I've been a nurse 10 years. That being said, I can pay rent. I'm looking for either a room or a roommate to find a place together. I keep a low profile, I'm quiet and clean. I'm looking for a peaceful place. I'm looking to move late.
