There are no losers in this situation. Strictly for current Verizon customers. For a VERY limited time. Sign up for Verizon network through me and sit back a wait for your chance to earn 1 year of FREE service. ( it's not a matter of IF its when will you get your free service )

But it gets even better.... The 10th person will be in line to get 1 year of FREE service AND I'm giving \$500 CASH not a gift card or a rebate! CASH FROM MY POCKET. Text me to set up service ( yes, we can meet in person)

I'll be calling the \$500 winner 8/15
