

Free Leads For Contractors

Location **North Carolina**
<https://www.genclassifieds.com/x-631719-z>

If you are a Roofing, HVAC, Painting, or General Contractor or have any other contracting services to offer, then this is for you. It can be hard to gain business in a competitive market, and that is where we come in.

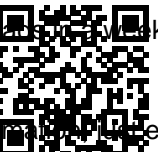

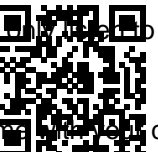

We give you leads for FREE once we set up your profile which is also FREE! There is absolutely no start-up fee, minimum fee, monthly payments, contracts, or even a cancellation fee.

The way it works is like this:

1. Customer that needs a service will put in a request through our website or mobile app.
2. We prescreen and vet the lead to make sure it is a real live customer.
3. If that customer is within your chosen service radius, then you will get a call from our automated voice service telling you what the customer needs done, what city, and when he/she needs the jobs done.
4. If you don't want the job, you simply hang up (or press 9 to reject) and there is no charge. If you do want the job, then you just press 5, and you are immediately connected with that customer, free of charge.

If the lead is requesting a certain job, and the customer starts talking about an irrelevant job, you are not charged for that nor are you charged if they are just plain rude or if the call drops. Also when you do make contact with a customer, no other contractor will have access to them but you. If there is another contractor who has accepted that lead before you, and you press 5 to speak with that customer, the system will let you know that another contractor has taken that lead.

The only time your card is ever charged the flat rate is when you and the customer have a legitimate business conversation. It's that simple. The flat rate is between \$13-\$25 depending on what type of service you provide.

 <p>Let's say you need 20 leads a week, you only pay \$10 a week. If you need 10 a week, you only pay \$5 a week. There are no other fees. You have to pay for the service you have chosen.</p> <p>If you want more information, please email info@genclassifieds.com or contact our team (number or email).</p> <p>https://www.genclassifieds.com/x-631719-z</p> <p>Free Leads For Contractors</p>	 <p>https://www.genclassifieds.com/x-631719-z</p> <p>Free Leads For Contractors</p>	 <p>https://www.genclassifieds.com/x-631719-z</p> <p>Free Leads For Contractors</p>	 <p>https://www.genclassifieds.com/x-631719-z</p> <p>Free Leads For Contractors</p>	 <p>https://www.genclassifieds.com/x-631719-z</p> <p>Free Leads For Contractors</p>	 <p>https://www.genclassifieds.com/x-631719-z</p> <p>Free Leads For Contractors</p>	 <p>https://www.genclassifieds.com/x-631719-z</p> <p>Free Leads For Contractors</p>	 <p>https://www.genclassifieds.com/x-631719-z</p> <p>Free Leads For Contractors</p>	 <p>https://www.genclassifieds.com/x-631719-z</p> <p>Free Leads For Contractors</p>	 <p>https://www.genclassifieds.com/x-631719-z</p> <p>Free Leads For Contractors</p>
