 My Passport Ultra with USB 3.0 and high capacity features automatic and cloud backup; password protection and hardware encryption and 3-year limited warranty.

Sleek design with high capacity -- Offering up to 2 TB in a compact design, My Passport Ultra is the ideal companion for your Ultrabook and other slim notebooks. Travel light with all your digital content.

Ultra-fast transfer rates -- When connected to a USB 3.0 port, My Passport Ultra lets you access and save files in blazing speed. Reduce transfer time by up to three times when compared to USB 2.0 transfer rates.*

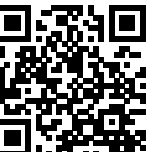

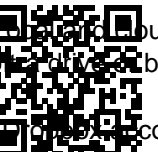

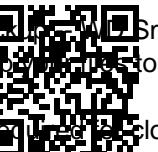

*Performance may vary based on user's hardware and system configuration.

Automatic backup software -- WD SmartWare Pro automatic backup software works quietly in the background to help protect your data using minimal PC resources. Select automatic, continuous backup to instantly back up your files. Or select the scheduled backup option to back up your files on your schedule and take control of your backup.

Cloud backup -- WD SmartWare Pro lets you connect and back up your data to your My Passport Ultra back to the cloud. Back up your Drive to the cloud. *Performance may vary based on user's hardware and system configuration. *Cloud backup service may change or be discontinued at any time and may vary by country.

Works great with Windows 8 -- The WD Windows 8 app makes it easy to discover the digital media stored on your My Passport Ultra drive with your Windows 8 computer. Your content is automatically displayed and organized so you can easily locate and enjoy your photos, videos and music.

USB 3.0 and USB 2.0 compatibility -- With this single drive you get compatibility with the latest USB 3.0
