I am a certified welder. If you are in need of any welding regardless of what it may be, big, or a small job give me a call, if you are not able to bring the item to me I can go to you. Pipe fence needs repair, brush hog needs welding repair, riding lawn more? You do not have to pay \$400.00 dollars for a 20 minute job. I am very reasonable, and will work with you in order to get your welding needs fixed, at a minimal cost to you. Call or text any time at or in Oklahoma City.
