I do any welding you may need done from customizing jobs, to small repairs on brush hog lawn mowers doors, fencing, You name it, and you can get it done. A gentleman from Norman refuse to pay 250.00 for one cover canopy, and got three custom made for not only his tractors, but also his riding lawn mowers to keep the hot sun off his wife. Customized a Cushman, and welded a winch on his trailer and built a battery box. Call any time at

ask for Celso. Certified structural.
