2009 Kawasaki KLR 650 in very good condition. I would say a 9 out of 10.

Less than 6500 miles on HWY only.
Clean Washington title in hand.
New battery 8/10/2015
Tires are about 50%
Paint in excellent condition.
Aftermarket pipe. Also included is factory pipe.
Runs perfectly and all maintenance has been done by the previous owner. I was told 3 oil changes and I just replace the battery.

Great running bike, I took in on trade from my neighbor on my aluminum fishing boat and I already have a bike.

Please contact me with any questions via phone, text or by replying to this ad.

I am not interest in a trade unless it's of equal value or cash is added.

The price may be negotiable but only in person. If you don't take the time to see the bike then please don't ask for a time and price that is ridiculous. I will not have a test ride.
