We have a beautiful female cat who unfortunately is not meant to be homed with other pets. She seems to be around a year and half or two years old. Very pretty. Skittish at first but with a calm soul and smelly soft cat food, she will warm up to adults. Would be best suited in a home where she will be the only pet, and preferably without children. She is spayed and declawed on all four pawd. Please message for more details - would love to find a forever home as soon as possible and prevent further anxiety for this pretty girl. Can provide photos upon.
