hello,

i'm a conservative, licensed filmmaker in short need of two female actors. no experience necessary. ability to follow through is a must. liberals need not apply - been there, done that. your intolerant of the conservative POV and that's fine. just don't apply, it's a waste of our time. we did try.

this project is a one-day, outdoor video shoot for the purpose of "crowd funding" on kickstarter. the feature film is a politically incorrect, supernatural action farce. you would be expected to dress up (wardrobe provided) and stand-in for a few still shots and the Cover Art shot (what you would see on the face of a campy DVD or movie poster.

we need a female, age 30-40 to stand-in for the part of a sexy, hot-to-trot demonic seductress. HWP, bosomy (because she's a seductress).

we need a female, age 20-30 to stand-in for the part of a whacky Catholic Nun and sidekick to the male lead. asian or latino a plus, but not required. average to petite, with agility skills to act out a martial arts scene. not looking for a martial arts expert. just an agile person.

the shoot will take place on August 15th - next Saturday from 10 AM until late afternoon. we will pay your travel expenses (gas, bus, max) and there will be an all-day buffet for the crew and cast - that's you!

reply asap and we will get back to you in a timely manner.

thanks for your time and interest...
