i have to get rid of my dog Gamble because he does not get along with our cats. Other than that, he is a very great dog. He comes on command, doesn't bite, knows how to sit and shake hands and understands 'No.'

He is 6 months old and fully potty trained.

He is an amazing guard dog and loves to go on walks, but you can also just let him out in a yard and he'll be fine.

\$25 rehoming fee. Text only.
