Oklahoma City family needs a full-time nanny (3 days/week guaranteed, potentially 4 days/week in the future). Must love kids! Our ideal match will meet the requirements below. Our budget only permits us to offer $10/hr.

We have three very energetic boys ages 5, 3, and 9 months. Starting August 11th we are looking for someone to care for primarily the older two from 7:30 a.m. to 5 p.m., Tues/Thurs, and 7:30 a.m. to 4:30 p.m. on Wed.

We are looking for someone who is willing and able to do some cooking and other housework. Age appropriate independence is a firm goal of ours, which permits time to help with the housework.

Mom is having health issues and is not always able to care for the house or the kids. Dad works from home. We need you to handle the kids and help with the house so dad can focus on work.

Prior to August 20th (when school starts for the older two) we are needing primarily care for the older two starting 7:30 a.m., doing some housework, occasionally watching the infant, and listening to the middle child nap for several hours in the afternoon. Once school starts, we're looking for the similar hours, but on Tues and Thurs arriving at 8:30 a.m. after we drop the older two off at school. They get picked up at 3:30 p.m. Occasionally you would pick up the kids, mom's goal is to do it most days. This would permit some more time with the infant and more focus on housework until the older two are home.

Notes:
- We do have two cats.
- You need to have a vehicle capable of holding 2 and eventually 3 car seats.
