I have a female pit bull She is about 10 months old... I only want her to go to the good home... She is a very sweet loving dog... She is great with other dogs Im not sure how she is with cats tho... Call or Text anytime I tried to include a picture of her But I cant... I am willing to send one Just ask... I am not asking a rehoming fee I just want her to go to a good home where She will not get miss treated or used for the wrong things... She deserves to be loved and taken care...
