I have some demo songs I would like to take to the next level. I can't do it alone. My best is reserved for song lyric /melody/ writing/guitar and with a little more work Vox. Bass Drums and keys are not my best. but I limp along to get the song idea recorded. I can send you a few raw recording that are really recorded well, but need better musician input than just me on everything...That sucks!

I have been told they are pretty good, and they weren't drunk! ha ha...
